## Worksheet II: Develop your short fundraising plan of action

What is your plan to get your organization to be attractive to donors so you can succeed in fundraising? This is a key strategy. You need the right strategy before you do other plans.

- 1. Your plan builds on Six Key Attributes and Five Essential Responsibilities for NGOs.
- 2. It applies the lessons about the **Donor Cycle**, the **Giving Pyramid**, the **Hierarchy of Human Values**, **Enabling Donor Dreams**, and **Everyone's Responsibility to Help in Fundraising**.
- 3. It indicates how you will respond to the **Four Issues of Confidence** and use the **Fifteen Iron Rules of Visionary Fundraising** in your work and communications with current and prospective donors and everyone within your organization.
- 4. Finally, it shows what you will do to **Step Up to Leadership** within the organization to assure your success in fundraising.
- 5. You can develop this plan with your fundraising team or with a small group of staff and volunteers who are committed to helping you succeed in raising more funds.
